

In Memory of Jim Ryan

Jim Ryan in Unit 1 passed away last Thursday.

Jim and his wife Carol were original owners in Mirage Heights and Jim was an early on President of the HOA.

Carol died 4 years ago. Jim was 95 and a good man. I visited him often while here in AZ.

Jim was an Arizona native, flew B-24s in the South Pacific in WW II. He's part of the Greatest Generation.

His son Pete said they were going to inter Jim and Carol at the Military Cemetery in North Phoenix on April 27th.

Please pass this on to the HOA members as many will remember Jim.
