

Mirage Heights

Swim Season is Drawing to a Close...

The good news is that the pool will be undergoing repairs and maintenance between the dates of
November 14th

And November 20th!

The pool will be closed during this time to be drained, repaired, handrails relocated, and pool deck repairing/repainting.

Please be aware of extra activity and workers/equipment

Around the pool area while the work is being done.

Thank you for your patience during this temporary closure.
