## Street Crack Sealing Schedule!

**On Monday, February 12<sup>th</sup>, beginning at 7-8 am... Crack Sealing will begin on the east side near 17257 E. Grande Blvd and work down to the west end of the association.**

The only restriction is for no cars to be parked or drive on the area of the street on which they are working at the time. Once they move from that area, you will be free to park and drive on the roads.

The crew will be constantly moving with barricades up to show what areas are opened and closed throughout the morning.

**Please use caution around the extra equipment and crew in the area at this time.**

Thank you for your patience during this Community Improvement!
