

Mirage Heights Deck Inspections...

A Contractor will be out on
Thursday, February 8th and Monday February 12th
to inspect the decks at Mirage Heights.

If you live on the ground floor, you don't need
To do anything. The Contractor will be able to
access your deck to inspect it.

If you live on the 2nd floor, the Contractor will need
to access your deck by going through your unit
(units 201 - 218). Please contact Trestle Management at:
ebond@trestle.com to let us know which day
works best for you (Feb. 8th or 12th) to be able to
let him in to evaluate your deck.

Thank you for your help and cooperation
in getting this important inspection completed!
