

Dear Unit Owner:

As you probably noticed, the signage for N. Mirage Heights Ct. and N. Mirage Heights Ct. West was installed by the Town of Fountain Hills at our community to change the names of these two roadways. In connection with this project, 32 unit owners are affected by these two new street names. Additionally, the building that your unit is located in is receiving a new street number. **You are receiving this notification because your address will change effective December 5, 2020.**

The United States Postal Service will begin delivering your mail to your new address on December 5, 2020. Your new address will be as follows:

Please note that your unit number remains the same. A number of businesses and government agencies will have your new street address, including utility companies, COX Communications, and other organizations affected by this change. The Town of Fountain Hills is providing new addresses to those affected entities.

What do you need to do as a unit owner? We recommend that you provide your new address to family, friends, banks, investment companies, government agencies (eg. Social Security Administration), or any other person or any other entity that you receive mail from so that they have your new mailing address effective December 5, 2020. Since your unit number will remain the same, you will continue to collect your mail at the central mailbox area with the same box number currently in use by you at Mirage Heights.

For those who may not have email, we are also providing notification of new addresses by in-person notice, as well as a mailing to the address designated by you for Association mail. If you see neighbors in your building, we would also encourage you to talk to your neighbor and share this information with them.

If you have any questions, please feel free to contact Dan Thue (612) 701-8996 or Trestle Management (480) 422-0888. We hope this will be a seamless change for everyone who will have a new street address.
